

Technical drawing of a circular object, likely a cross-section of a mechanical part. The drawing features a central circular area with a complex, symmetrical internal pattern consisting of various geometric shapes, including circles, triangles, and lines. The pattern is divided into four quadrants by a vertical and a horizontal line. The outer boundary of the object is defined by a dashed circle. The drawing is labeled with 'A' at the bottom center and 'A' at the top center, indicating a section line. The text 'おすい' (Osu-i) is written vertically on the right side of the central pattern.
